

# Post-Camp Survey (IEEE CSS @ UTSA)

This is a post-camp survey designed to gauge your interests and aptitude after completing IEEE CSS camp.

1. What is your name?

---

2. Do you know more about IEEE and IEEE Control Systems Society as result of this 2-day camp?

*Mark only one oval.*

- ☐ Yes
- ☐ Yes, and I want to be part of IEEE-CSS in the future.
- ☐ No
- ☐ Maybe

3. How excited are you about Controls and Robotics after attending this camp? (1 not excited, 5 very excited)

*Mark only one oval.*

1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

4. How much has your knowledge on Controls and Robotics improved after attending this camp? (1 nothing new, 5 learnt a lot)

*Mark only one oval.*

1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

5. I am excited about a career in Engineering and/or Science after attending this camp? (1 not excited, 5 very excited)

*Mark only one oval.*

1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

6. What career do you want to pursue? (indicate only your top choice)

---

7. What did you find most interesting in the entire camp, feel free to elaborate (examples are but not restricted to: introductory talks, lab tours, UTSA tour, breakfast, lunch, snacks, line following lab, car racing lab, parallel parking lab, LEGOs, programming, sensors, teaching assistants or instructors, UTSA campus, etc.)

---

---

---

---

---

8. What did you NOT like about the camp. Please elaborate.

---

---

---

---

---

9. Do you have any feedback for us? (for example but not restricted to: ways to improve the camp, favorite topic, other things you might want to learn, message to our sponsor IEEE CSS, etc.)
